

## PROPOSED FEDERAL WILDERNESS AREAS

### Doña Ana County **Albuquerque**

**map area** A legislative proposal from U.S. Sens. Udall and Bingaman would designate federal wilderness areas in Doña Ana County. Critics worry that a **wilderness** area at the border would limit Border Patrol access and invite crime. In response, the senators are proposing a non-**wilderness** buffer along the border.

Exiting **Wilderness** Study Areas Proposed Modification

5 miles

Boundary moved north to create a five-mile buffer from the border.

The current study area boundary is within one-third mile of the Mexican border.
